- 4. The arrival of still a third group, to be concerned with inspection of education, is expected.
- 5. There is no doubt that, in many parts of the Caucasus, Nationalist activity is growing in a disturbing way. Soldiers are deserting to line up with the Nationalists. In the first ten days of May 1954, there were 170 arrests in the regions of Klipare sig Sagadi sig Paravutsig and Derbent Almost every day there is an attack on some Communist personage. Commissars in these regions have asked for detachments of troops, as night guards for their safety.
- 6. As examples of anti-Communist activity, one may cite the discovery of a group of resistance on 7 May 54, North of Baku. This group was in touch with the Azerbai an Independence Committee, of Northern Iran. The leaders were Akif Kalhanov, Haydar Bektasov, Omer Burtjakov. As a further example, may be mentioned a secret arms depot, unearthed at Karatehinar/sic/ in the house of a certain Murad Davudov. This included infantry arms, stolen from the army. Murad Davidov made a clean get-away.
